The Historical Society of North College Hill Newsletter

Issue XVII

July, 2013

MESSAGE FROM THE SOCIETY

Summer is here. I hope your winter went by quickly, and you are ready for some Summer fun. The parade was a hit as usual. We always have a good Historical Society turnout. We hope you will mark your calendar to come and join us for a meeting, but not at Goodman. Gone is the historical meeting room, but not the memories at Goodman School. We will vacate by July 17, and relocate to the Community Building. That is where the Post Office is located. Hope to see you at our new place.

Gone is the Pool (opened in the summer of 1951) No slide with original pool. The original pool had a diving board.

It's gone now, but the memories live on!!!!

We have many photos for you to see when you visit our meeting room/museum. The pool was such a prominent memory of growing up in North College Hill. We hope your memories are as fond as ours.

**Future Dates for you to remember: St. Margaret Mary Festival
College Hill Bicentennial September 21
Historical Society Open House – November 30**

If you haven't done so by now, it is time to renew your membership for 2013. I always give a grace period for members who have not renewed their membership and continue to send newsletters for the next year. But if the membership goes too long before renewing then the newsletters will stop. What a sad day it is when the newsletters stop. Membership runs per annum from January 1, and expires on December 31. If you wish to continue as a member and receive Society newsletters, please pay your dues. There is a member application attached to the newsletter. We want to thank everyone who is a member and keeps us going.

Wanted:

Do you have secret stuff in your attic? If you are not going to take it to the pawn shop or throw it away, please consider giving it to us Anything and everything that concerns North College Hill. If you have any such items, please donate them to the Society for safe keeping. Our room is filling up fast and Clyde is keeping it looking spectacular. The Historical Society is moving. Please come and visit our new room at the Community Building where the Post Office is located.

Here is one of our old pictures from the eighth grade graduating class of 1924. If you have any idea who any of these students or the teacher are, please let us know their names and where the school was located.

NCH EIGHTH GRADE GRADUATING CLASS 1924

Feb. 28– It was a small winter crowd at the meeting.

Clyde is the new Archivist and led the meeting since the president was not there. Linda is the new Treasurer and gave her report. Right now the Society is going strong, and we are getting new members so if someone you know is not a member, please spread the word.

March 11 - The Historical Society went to the Pool House one last time to reminiscence. We also invited other members of the community to join us. It was a freezing, cold and rainy, and a miserable morning when we met outside. At 11:00, we entered the abandoned building. It was colder inside than out. But once we huddled inside and looked around, old memories came flooding back and warmed our hearts. After a few minutes we forgot how cold we were and started reminiscing, and it turns out it wasn't so cold after all.

On March, 13, the 62 year old pool is a victim of budget cuts

We spent about 2 hours at the pool house chatting about listening to WSAI and later Q102. We remembered spending many hours with our friends at the pool and waiting for our moms to call us home. This was another time but, boy wasn't it great!!! The historical society also collected trophys, a key board, whistles, ribbons, a pass and pool signs. A sad day at the end but the great memories will live forever in our hearts.

Roger & Linda Baunwart & Gary Salyers

Gary Sayers joined our historical event. After the pool, we went and ate lunch at Frisch's and continued our memories. But that wasn't all, we also went to Goodman School to show Gary our meeting room and museum where history is kept. We shared our pictures of the fire department and Gary mentioned he lived next door to Teddy Weber, my uncle. It is a small world after all. Gary's family bought my grandparents house on Gilbert Avenue in 1954.

March 26 – We had five guests at our meeting. Linda read the treasurer's report. We have 1,092.71. April 11, we will welcome Mr. Spangler's students. This will be their second year to visit us.

September 21, College Hill is having a Bicentennial Living History Tour. They will include NCH and Mt. Healthy. This is going to be a big event so look for details in the community papers. Laboiteaux/Cary Cemetery is a historic stop on the tour map.

Carol Rutz is our new Vice President.

April 11 – Mr. Sprangler's high school students postponed their visit until the next day because of in climate weather. A great group of students visited our room and were particularly interested in the old business machines such as the typewriter, adding machine, etc. They also looked through old annuals, newspapers and the vintage NCH sports uniforms and an old WWII army uniform was a big hit with one student. The students were very interested and had a keen sense of curiosity. Everyone had a terrific time.

April 26 – Linda was out of town so the president read the minutes and the Treasurer's report. We have \$1,102.71 in our treasury. We had a new member, Chris Waldeck joined us.

We mentioned Mt. Healthy Historical Society having Phil Nuxhall as a speaker on June 27. The College Hill Historical Society's Garden Tour on June 15. The College Hill Bicentennial on September 21. It was a busy meeting. All are invited to all of these events. We will be part of the "Walk to Freedom" bicentennial with the College Hill Historical Society. Laboiteaux-Cary Cemetery is one of the stops on the tour. We will be having characters play mourners at the cemetery. If anyone wants to be part of the cemetery mourners, please come to one of our meetings. Also Cary House is a stop.
