## **CALLS FOR SERVICE**

### **Discharge Firearm into Habitation (2923.161)**

On 07/04/16 at 1219 hrs., PO Brown responded to Emerson Ave. for a report of the complainant that found a bullet hole in her house window. Upon arrival, he spoke with the complainant, who advised that when she woke up at around 1219 hours, she noticed a bullet hole in her front bay window on the left side. The projectile had gone through a screen, then a single pane glass window, then a plastic blind and then into a 42" flat screen TV, which was hanging on the wall on the opposite side of the room. The projectile did not go all the way

through the TV and is lodged somewhere in the TV.

Upon looking around the room (front living room), PO Brown noticed another hole in the wall located on the east side of the house in the living room. He went outside to see if he could determine an angle of the shot. With looking at the angle on the outside of the house and then inside the house, he returned to the living room and observed a small speaker on the floor, under the TV. He observed damage on the upper corner of the speaker and was able to locate what appeared to be a bullet projectile, damaged, but still intact.

He collected the projectile as evidence.

PO Brown looked on the outside of the house again and found yet another hole near the top and just to the right of the front door. That projectile did not go all the way through and PO Brown was not able to observe, obtain or collect it. He had asked the complainant when she thought this had occurred as she advised that she did not hear anything. She stated that she went to her sister's home on 07/03/16 at 0645 hrs. and was gone until 0010 hrs. on 07/04/16. She said it is possible it had occurred while she was gone, because she was tired when she returned home and because it was dark, she just didn't notice it. She said that she did not hear anything overnight and noticed it when she got up at 1220 hrs.

PO Brown also asked if she had any issues with anyone that would induce this kind of action and she said that she did not. She advised that she has lived there for 14 years; she keeps to herself and doesn't create problems. PO Brown advised her that a report would be generated and if she learns any new information, to contact the police.

## **Theft (2913.02)**

While on patrol, PO Ryan was flagged down and advised by the complainant she was shopping at the Kroger's food store. She advised she went to the self-checkout and set her phone down on top of the scanner machine. She advised she then left the area and went to her car in the parking lot. She advised prior to leaving she realized she did not have

her phone with her and went back into the store to look for it. She advised she was not able to find it where she had left it on top of the scanner machine for the

self-checkout. She requested a report for theft of her phone. She advised the phone was an iPhone 6s+ with a value of 650.00\$.

## **Criminal Damaging (2909.06)**

Complainant advises that he was at his friend's home on Sterling Ave., assisting his friend and girlfriend move their belongings out of the house. Around 0400 hrs. on 07/06/16, they had stopped for the night and left, intending on coming back later on in the day to finish. The

complainant advised that he left his vehicle in the driveway, just in front of the garage and left with his friend.

Upon his return around 1220 hrs., he noticed that his tires were either flat or low. He checked inside the vehicle and found that his stereo head unit had been removed from the dash and was missing. The complainant's friend's girlfriend, who also was staying off and on at this residence, told him that she arrived there around 1200 hrs., to find that a male she knows and another male were at the house. One was locking the house up and the other was walking from the area of the rear of the house and near the complainant's truck, carrying a black garbage bag. She also advised the complainant that his truck's door was open and the male was walking from that area, so they assumed it was one of them who entered the complainant's vehicle.

The complainant had entered his vehicle and moved it onto the street. He checked his tires and observed puncture holes in each of the four tires. He looked in a trash bag that was at the curb and found his stereo and wiring inside. He also found an amount of kid's toys in the bag, in which the renter's girlfriend confirmed was from the house,

belonging to her kids. The complainant stated that he wants to file charges. PO Brown explained to him that until we can prove who the perpetrator was, no charges will be filed. PO Brown advised that we will attempt to speak with all parties involved to find out what happened. The complainant advised that he believed that an amount of other items may be missing from his truck as well. PO Brown advised him to make a list of items missing and they will be added to the report.

## **Aggravated Menacing** **(2903.21)**

On July 7, 2016 Officers were called to 6840 Hamilton Ave. for a report of a subject that pulled a gun out on the complainant and her two children. When I arrived I came in contact with the complainant, which stated a black male with short dreads pulled a small black handgun out of his waistband and pointed it at her and her 2 children while they were in the car waiting while another occupant of the vehicle went inside the gas station and took off in a car. The complainant's friend also stated the subject was inside the store cussing

and called customers names before leaving.

The suspect was seen driving a dark blue possible Saturn going south on Hamilton Ave. The complainant also stated the subject placed his hand on the passenger side window. However, due to the window being smudged and the prints also being smudged I was unable to find a good print.

## **Aggravated Burglary** **(2911.11)**

Officers were dispatched to investigate for a suspect who had pulled a gun on the complainant. Upon arrival, Lt. Petrocelli was met by the complainant, who stated that a subject entered her unlocked residence without permission and by stealth proceeded to enter the basement area of her home.

The complainant stated that she, her friends and family members (approximately 6 people) were in the basement area of her home, when the subject came down the stairs, pulled her hair and said, "Heeey! KC is here".

The complainant turned to him and said, "Who are you, I don't know you! Get Out". The subject then became angry and began pouring out / splashing out the can of beer he had brought with him. He simultaneously pulled a large black semi-auto pistol from his pocket and brandished it at all the people in the basement. He then turned and ran up the stairs and out the front door of the residence and ran to a blue Nissan and pulled out of the driveway and fled west bound on Goodman Ave and turned north onto Parrish Ave towards Galbraith.

The complainant states that she first met this subject on Tuesday July 5<sup>th</sup> of this year. She stated that she was at the Shell gas station located at 6840 Hamilton Ave when she observed this subject hanging around the parking lot. She stated that he struck up a conversation with her, in which she advised him that she was having a cookout at her residence to celebrate Independence Day. After this brief exchange she departed the gas station and drove the short distance to her home on Goodman Ave.

A short time later she noticed that the subject must have followed her home, as she saw that he was in her

backyard. She stated that he stayed for approximately 20 minutes than departed. She stated that while he was there he talked to her and tried to give her his cell phone number. She stated that she lied to him and told him, her phone was broken. She later found that he had entered his number into her phone under the name, K.C.

She described him as a male black wearing a black hat, dark sunglasses, a white wife beater shirt and brown or beige shorts. He was operating a blue Nissan with Ohio Passenger Tags. An all-county broadcast was put out to BOLO for the vehicle. The metal beer bottle that the subject threw down was collected for possible latent prints or DNA evidence.

### **Theft of Gun (2913.02)**

A complainant called for a report of a theft of his gun from his vehicle. He advised it was a High Point 9mm, in a case, in the trunk of his vehicle. He further advised he does not know when it happened and who was in his vehicle, and where he was at the time of the theft. He advised he purchased the gun about a month ago and was told to return to

the place where he bought it and ask them for the serial numbers for the gun. He further advised it was purchased from a Pawn Shop in Kentucky and didn't know where it what the name of the store was. He was advised to call the police department when he gets the number and we could enter it into the computer as stolen.

### **Domestic Violence (2919.25)**

Officers were dispatched for subjects fighting in the street. Upon arrival we observed a M/B with dreads walking away from the dispatched location and a female in the front yard yelling that their fighting in the house. The male walking away was later found not to be involved. PO Miller could hear commotion occurring inside the residence. As he approached the front door, he observed a male and female physically fighting through the screen door. Both were attempting to punch one another. The male was able to tackle/pin the female onto the couch.

PO Miller entered the residence and ordered the male off the female. The male was visibly

bleeding from his hand while the female had a visible cut on her face and a swollen eye. Both subjects were detained and separated. A squad was called for the male.

Both subjects were intoxicated and gave similar stories. The female decided to watch a home movie of her father's funeral. The male became emotional from the movie and wanted to turn it off. An argument ensued which turned physical. They then got into a physical altercation which spilled outside into the front yard and street. An unknown male witnessing the fight came to the female's aid and pulled the male away from her. The unknown male and Mr. Thomas then got into a physical altercation in the street. The unknown male fled the area upon hearing our police sirens. The male then continued to fight with the female until police arrived on scene and separated them.

The female claimed the male had punched her in the face and she was defending herself. The male had deep laceration to his finger and claimed he was bit by the dog during the fight. The female stated he wasn't bit but didn't know how his finger was injured. The male made several

statements claiming the female didn't bite him, the dog did.

Neither party wanted to pursue charges and nor cooperate with our investigation. It was learned that the female is the male's aunt and they are both living with their mom/grandmother. Both parties were arrested for DV. The male was transferred to UC Hospital for medical attention before being transported to CJC.

## **Criminal Damaging** **(2909.06)**

A complainant came to NCH PD to report an incident that occurred on West Galbraith Rd. The complainant was driving on east on West Galbraith Rd. when he heard a loud noise which turned out to be his passenger rear window shattering. There have been recent problems in the same area with a group of juveniles hiding in the cut through in that area of West Galbraith, throwing rocks and hard objects at vehicles as they pass. PO Cole told the complainant that he was going to respond to the area and check the cut thorough and then respond to his business to take the report after.

When PO Cole arrived at the cut through, he noticed a large area of the road covered in glass, but did not find a projectile. He ran through the cut through in an attempt to find the suspect(s). Officer Kilgore responded in his patrol car near the other side of the cut through on Cherrywood in an attempt to cut the suspect(s) off. They did not locate anyone in the area.

When PO Cole responded to the complainant's business he had his vehicle pulled into his garage/bay area and PO Cole examined it. He saw his window shattered with glass in the rear passenger seats. He did not find a projectile. PO Cole took pictures and attached them to the report as well.

## **Robbery (2911.02)**

On July 28, 2016 around 8:38 PM officers were called to Family Dollar for a robbery that just occurred. A description of the suspect that fled the scene was a male black wearing a blue hat and blue shoes with a white t-shirt last seen running south. When PO Kilgore arrived on scene he made contact with a store employee that stated a male black walked into the store with

a black and gray backpack. Before the suspect could leave another store employee asked the suspect to empty out his backpack. The employee stated she noticed the suspect walk into the store with the backpack empty and noticed it was full of items upon the suspect leaving out the front door. The suspect then told the employee that he can't empty out his backpack due to having a gun in the backpack. The employee said he then took off running from the store and then she called 911.

The employee also said she last noticed the subject running towards the laundry mat from the store. The complainant also said an unknown customer noticed the suspect running south towards Valvoline on Hamilton Ave. Upon search the area PO Palmisano was able to locate a jersey matching the description of the suspects clothing in the rear of Save-a-lot. The employee was able to identify the article of clothing as the same shirt the suspect had when he

switching clothing upon running from the store. Both employees do not know what items or the cost of the items the suspect took from the store.
