Meeting Title: Municipal Tree Advisory Board – Regular Meeting

Meeting Date/Time: 3/27/2024 – 6:00 PM – 7:00 PM

Meeting Location: Marshal Peter Dumele Memorial Park

Meeting Attendance:

Jevette Williams (NCH resident / Chair)

Mary Jo Zorb (NCH resident / Council Member / Co-Chair)

Donna Brunner (NCH resident / Council Member)

Sean O'Rourke (NCH resident / Secretary)

Topics Discussed:

1. The 4/27 Arbor Day event was the entire focus of this meeting.
2. The group discussed the potential plans to plant 10 Juniper trees at the NCH senior center. The Mayor requested trees here.
3. The group discussed creating a logo. A slogan was decided "Watch North College Hill Grow".
4. The group discussed how our Arbor Day event will overlap the clean-up. We decided to have Arbor Day event beginning with us setting up 10:00 so if people are finished cleaning and want to plant trees with us, they could.
5. The group went to the Senior Center to look at possible planting areas. The grass strip between the Senior Center and Frickers seems like a potential spot. The group was going to confirm this grassy area was on NCH property. The other area was the grass on the west side of the building.
6. After the group decided that 10 Junipers could be planted, they went to Tikkun Farms to get the Junipers. Tikkun Farm requested a \$10/each donation, which this group will make.
7. The group discussed what tools will be needed at the event. We collectively have and will bring 4 shovels, 1 pickaxe, 1 post-hole digger. In addition to tools, we'll bring tree themed hand-outs and stickers.
8. Donna is looking into tee-shirts
9. Next meeting is not yet determined, but we will likely meet again before the 4/27 event.
